### VIP Spotlight : CWWD Counselors/Volunteers

Camp 2020 was forced to go virtual due to Covid 19 but with special thanks to Northwestern Mutual, Cancer Services and our counselors /volunteers who helped with recording skits, doing a live campfire, teaching art lessons, coming up with challenges, going live on Zoom with me, tour of camp, memory boxes, food lessons, yoga lessons, etc. we were able to pull off an amazing camp. We mailed, handed out or delivered camp boxes which were filled with the craft and food supplies, a quilt, a bead (White to signify toilet paper), bag, water bottle, shirt and even a tent!

It was not the same, but it was amazing none the less! We had new campers and seasoned campers and all ages join us. The photo and hot air balloon contests were big hits! We have some creative kids out there!

Thank you to everyone who helped make this possible! We are looking forward to seeing everyone in person next Summer!

### COVID 19 Update —

Due to Covid 19 and all of the uncertainty surrounding it, we also had to go virtual for our 2020 5K/1 mile fundraiser and we will not be having any in person fundraisers at this time.

I am hoping to get together an online auction soon—please let me know if you have items that you would want to donate to help raise some money :)

I am also hoping to set up one or two dine and donate nights at local restaurants this Fall.

I am also pondering a virtual paint night of sorts....

Please let me know if you have any ideas!
