Until there's a cure, there's a camp!

Volunteer and Camper Spotlight

Jennyfer Balkema:

I volunteered for CWWD for almost 10 years and served on the board for about 5 years before accepting my current position of Program Director.

I have been married for almost 6 years to Jeb and we have a three year old named Landry and 15 year old Lab/Greyhound Dog named Teb.

My parents and ESA chapter have sponsored the camp dance for about 10 years and Landry has attended all of the years he has been around :)

I love working for an organization that helps kids with cancer; this has been a huge passion of mine since college! Thank you for this opportunity to serve you and your children!

Bobby Russell:

Bobby and Joey Russell are from South Bend Indiana. They first attended camp in 2016 and signed up for 2017 three days after camp ended :)

Here is what their dad, Robert, had to say about camp:

"With 4 1/2 years between them, my two boys almost always fight. However, at Camp Watcha-wanna-

do, they were the best of friends. Bobby, my youngest and a Lymphoma survivor, was able to attend for the first time this past summer. Joey, his older brother, was excited to be able to attend with him "

OUR MISSION:

We are committed to provide opportunity and support to every child living with cancer, their families and communities regardless of their medical circumstances through ongoing quality recreational activities.
