Watcha wanna know...

Until there's a cure, there's a camp!

Thank you and counselors needed 2019 :)

Thank you, thank you, thank you to all of our donors, families, counselors, local companies, national companies, supporters, volunteers, nurses, doctors who make what we do possible every year!

We truly can't do it without you!

Thank you for everything this year! We love you!

Counselors needed for 2019:

In 2019 we will be hiring counselors for the cabins like we always do, both male and female. These counselors will be responsible for their cabins for the entire week plus training on June 8th.

We will also be hiring a few medically trained counselors to work with those kids that require some specific medical assistance, also both male and female.

If you know of someone interested in working with kids age 7-18/19, who is available the week of June 9-14th, 2019, with training on the 8th, please have them apply online at www.campwatchawannado.com

We will begin the interview process in February/March 2019. Thank you!

OUR MISSION:

We are committed to provide opportunity and support to every child living with cancer, their families and communities regardless of their medical circumstances through ongoing quality recreational activities.
